Voting for the officers of the class of 1955 will take place in the houses tonight. An open house ^{evening} was held this ~~afternoon~~ to meet the final candidates. The announcement of officers will be made from Haven House balcony tomorrow night at 7:15.

-----*-----

The American Institute for Economic Research in Great Barrington, Massachusetts, has just announced the requirements for two year fellowships with stipends of \$1800 minimum per year for students interested in promoting the application of the scientific method to economic problems. The project includes scientific research in the general economic field and consists of training in economic geography, money and banking, international trade, economic history, etc., as well as directed research projects during a two year study period. Requirements for a fellowship are: twelve semester hours distributed among three of these seven fields (astronomy, biology, chemistry, geology, physics, psychology, science, general survey); one course in elementary economics; American and European history; Mathematics and Statistics; Drafting or mechanical drawing. Any student who feels qualified should see Miss James.
